- Hinged swing-out fiber drawer for easy access to cables and connectors

## 2QUICK Fiber Crimp-Style Connectors

### FCSTMQ12RA

CONNECTOR, ST-STYLE, MM, BLACK

- Patented 2QUICK® flat fiber crimp technology
- Quick, easy installation
- Telcordia-style 900 micron strain relief boot

### FCSTMQ100R

CONNECTOR, ST-STYLE, MM, BLACK

- Patented 2QUICK® flat fiber crimp technology
- Quick, easy installation
- Telcordia-style 900 micron strain relief boot

### FCSCMQ12R

CONNECTOR, SC, MM, BLACK

- Patented 2QUICK® flat fiber crimp technology
- Quick, easy installation
- Telcordia-style 900 micron strain relief boot

### FCSCSQ12R

CONNECTOR, SC, SM, YELLOW

- Patented 2QUICK® flat fiber crimp technology
- Quick, easy installation
- Telcordia-style 900 micron strain relief boot

### FCCI12

CRIMP INSERT, MM/SM, 12-PACK

- LC connectors require no crimping.
- 900 micron and 3mm cable applications
- TIA/EIA-568-B.3 compliant for long-term reliability
- Telcordia-style strain relief boot

### OFCMT04

CRIMP TOOL, EPOXY ANAEROBIC CONNECTORS

- For 2QUICK® Crimp and OPTIchannel™ SC/ST-style epoxy/anaerobic connectors
- Crimp die-set (included) pre-set at factory

### OFCMD04

DIE-SET, 2QUICK® CRIMP TOOL

- Replacement die for OFCMT04

### OFCLV1

CLEAVE TOOL, 2QUICK® CONNECTORS

- For 2QUICK® crimp connectors only
